

**DANIEL WINTERBOTTOM**  
**Professor, FASLA**  
**Department of Landscape Architecture**  
**Adjunct Professor**  
**Department of Architecture**  
**College of Architecture and Urban Planning**  
**Phone: 206 616 1876 email: [nina@u.washington.edu](mailto:nina@u.washington.edu)**  
**Fax: 206 685-4486**

### **Professional Certification:**

Registered Landscape Architect, Washington 1993

### **Affiliations:**

ERDA, (Environmental Research and Design Association)  
ASLA, (American Society of Landscape Architects)  
ACGA, (American Community Garden Association) Elected board member 2002-

### **Advisory Boards:**

University Heights Community Center, Seattle WA. Advisory Board Member  
Cancer Lifeline, Seattle WA. Advisory Board Member  
Pomegranate Center, Issaquah WA. Advisory Board Member  
Gotong Roynong Foundation, Seattle WA. Advisory Board Member

### **Education:**

MLArch, Harvard University, Boston, Massachusetts, 1988  
BFA, Tufts University, Diploma, School of the Museum of Fine Arts, 1982

### **Program Development**

2006 - Present: Founder and director of the Therapeutic Garden Design Certificate Program, Department of Landscape Architecture, University of Washington, Seattle WA

2002 - Present: Co founder and chair of the Public Art Program, Department of Fine Arts, University of Washington, Seattle WA

1995 - Present: Founder and director of the Design/Build Program, Department of Landscape Architecture, University of Washington, Seattle WA

### **Research:**

#### **Author:**

#### **Books**

Due 2013 Publication: Timber Press, Co-author Amy Wagenfeld,

- “Designing the Healing Garden”
- 2011 Publication: New Village, Editors, Doble, Cheryl and Horrigan, Paula  
"Erasing Boundaries" Chapter contributor
- 2010 Publication: Springer, Due June 2010, Editors, Krasny, Marianne E. and Tidbal, Keith G.  
"Greening in the Red Zone: Disaster, Resilience, and Urgent Biophilia" Chapter contributor
- 2009 Publication: Aesthetics, Inc., Due December 2009, Editors, Sadler, Blair and Ridenour, Annette  
"Transforming the Healthcare Experience through the Arts" Chapter contributor
- 2008 Publication: Brooklyn Botanical Garden, Due May 2008, Editors, Kirby, Ellen and Peters, Elizabeth  
"Community Gardening Handbook" Contributor to Chapter entitled, Pocket Parks and Small Community Gardens. (revised and reprinted 2009)
- 2007 Publication: Wiley and Sons Inc., 2007, Editor, Len Hooper "Landscape Graphic Standards, Student Edition"  
Contributor to Several Chapters including, Decks, Fencing, Arbor and Pergolas and Bridges and Advisory Review Participant
- 2007 Publication: Wiley and Sons Inc., Student edition, 2006 "Landscape Graphic Standards" Editor, Len Hooper  
Contributor to Several Chapters including, Decks, Fencing, Arbor and Pergolas and Bridges
- 2004 Publication: Lewis Publishers, Due January 2004. Authored chapter entitled “Applying the Theory: Design/Build Models for Water Harvesting and Watershed Awareness” for the book Practical Handbook for Supporting Watershed Management: Environmental Communication, Demonstration Projects and educational Outreach, Edited by Robert France
- 2001 Publication: Routledge, "Manufactured Sites" Contributor to book authored by Niall Kirkwood
- 2000 Publication: Wiley and Sons Inc., "Wood Construction in Landscape Architecture”

- 2008 "Healing Landscapes", Blodel Gardens, Bainbridge, Washington, March 2008
- 2008 "Working in the Margins, Gardens for Communities on the Fringe", Longue Vue Gardens, New Orleans, Louisiana, January 2008
- 2007 "Healing Landscapes and Service Learning", University of Oregon, Eugene, Oregon, April 2007

### **Posters Presented:**

- 2006 " Nature as a Support Mechanism at the End of Life: Preferences for Specific Types of Nature for Those Facing End of Life.", Therapeutic Landscapes, Genova University, Genova, Italy October 2006
- 1998 "Casitas; Cultural Expression in Community Gardens " Association of Community Gardens, September

### **Conferences organized:**

- 1997 Sustainability: "Form Ethics to Action" University of Washington, Department of Landscape Architecture. Organized and developed a regional conference addressing the principles and processes sustainable design and construction.

### **Conferences abstracts reviewed:**

- 2010 Reviewed six abstracts for Council of Educators of landscape Architecture, Annual Conference Maastricht, the Netherlands.
- 2009 Reviewed six abstracts for European Council of Landscape Architecture Schools, Conference Istanbul, Turkey.
- 2010 Reviewed nine abstracts for Council of Educators of landscape Architecture, Annual Conference Tucson, Arizona.

### **Research Grants:**

2010-2011  
 Catholic Community Services,  
\$75,000.00 Monicas Village Spirit House

2009-2010  
 Friends of Fisher House, Veterans Affairs  
\$40,000.00 Fisher House Healing Garden

University of Washington, Global Affairs  
\$3,000.00 Croatia Design/Build Program

2009-2010

University of Washington, Global Affairs  
\$3,960.00 Program development Uganda, Africa  
#2,500.00 Program support design/build Bosnia

King County Boys and Girls Club of Skyway  
\$65,000.00 Skyway Park

2008-2009

Fircrest School  
\$45,000.00 Fircrest Healing Garden

2007-2008

University of Washington, Global Affairs  
\$2,500.00 Program development Bosnia-Herzegovina

White Center Community Development Association  
\$300,000.00 White Center Heights Park

2006-2007

University of Washington  
\$10,000 Rainer Triangle

Fred Hutchinson Cancer Research Center  
\$35,000.00 Pete Gross House Healing Garden

2005-2006

National Park Service  
\$65,000.00 Moore Homestead Cultural Landscape Project

2001-2002

The Woodrow Wilson National Fellowship Foundation  
\$15,000.00 Lewis and Clark Bicentennial Commemorative Project

2000-2001

United States Forest Service via National Urban and Community Forestry Council,  
\$120,000.00 Healing Nature: The Psychological, Social and Spiritual Effects of Nature in the Hospice Environment

1999-2000

University of Washington Medical Center,  
\$15,000.00 Therapeutic Garden Assessment

Puffin Foundation,  
\$5,000.00 Healing Nature

1998 College of Architecture and Urban Planning, University of Washington:  
Johnston/Hastings Publication Support Endowment

\$5,000.00 King County Watershed Action Grant: Cascade Neighborhood Rain Water Harvest Project

- 1997 College of Architecture and Urban Planning, University of Washington:  
\$5,000.00 Jan and David McKinley Research Support Fellowship
- 1996 Graham Foundation  
\$5,000.00 Casitas: Gardens of Reclamation
- College of Architecture and Urban Planning, University of Washington:  
\$5,000.00 Healing Gardens: The role of therapeutic gardens in the healing process

### **Academic Awards:**

- 2012 Excellence in Service Learning Senior Level, CELA (Council of Educators in Landscape Architecture)
- 2011 Community Design Award, (University of Washington Service Learning International Design/Build Croatia , Rijeka, Croatia), American Society of Landscape Architects
- 2010 Great Places Design Award, Environmental Design Research Association (EDRA)
- 2009 Community Service Award, ASLA, American Society of Landscape Architects
- 2008 Merit Award, (White Center Heights Park), Washington Chapter of the American Society of Landscape Architects
- 2007 Community Design Award, (Children’s Garden of Hope, Guatemala), American Society of Landscape Architects
- 2007 Outstanding Educators Award, CELA (Council of Educators in Landscape Architecture)
- 2006 S. Sterling Munro Public Service Teaching Award, University of Washington
- 2003 Cancer Lifeline, *Therapeutic Garden Design Award: “Healing Garden Project’ ”* American Horticultural Therapy Association Therapeutic Garden Design Award 2003
- 2001 Cancer Lifeline, *Annual Award for Exceptional Service Merit Award: “Healing Garden Project’ ”* with U of WA. Department of Landscape Architecture
- 1998 College of Architecture and Urban Planning, University of Washington:  
“Foss Science Center”, Category: Group Project
- 1999 King County Waterworks Award: “Cascade Adopt a Park” with U of WA. Department of Landscape Architecture
- 1997 Certificate of Honor, Faculty Award, Outstanding Contributions to the Department  
College of Architecture and Urban Planning, Department of Landscape Architecture, University of Washington:
- Cascade Studio, Category: Group Project  
College of Architecture and Urban Planning, University of Washington:

### **Professional Awards**

- 2011 Inducted as Fellow, FASLA, American Society of Landscape Architects
- 1995 Washington Chapter AIA *Honor Award*: U of WA SW Parking Facility with The Portico Group
- 1993 Washington Chapter ASLA *Merit Award*: HERITAGE PARK with The Portico Group
- 1993 Washington Chapter ASLA *Merit Award*: BELLTOWN COURT GARDENS with The Portico Group
- 1993 Planning Association of Washington APA *Honor Award* HERITAGE PARK with The Portico Group
- 1992 California Chapter ASLA *Honor Award*: HERITAGE PARK with TPG
- 1989 Massachusetts Chapter ASLA “Landscape: 1099 HINGAM STREET

## Student Awards

- 2011 Honor Award in Community, University of Washington Service Learning International Design/Build Croata 2011, American Society of Landscape Architects
- 2009 Merit award - Heide Martin - Model of Light Stair Bench, 332 Materials course, Washington Chapter of the American Society of Landscape Architects
- 2008 Merit award - Szu-Yu Huang, Maria Taylor, "Iris/Brooklyn: Improving the Compatibility of Residential + Industrial Areas", 507 LARC studio, Washington Chapter of the American Society of Landscape Architects

Honor award – Savannah Hines-Elzinga, Tehia Kalebaugh, Kayla Lowber, Michael Michalek, Nicole Mikesch, Peter Nelson, Terry Shaver, Timothy Shuck, Zachary Smith, Kent Straub-Jones, Dylan Yamashita TAS: Garrett Devier, Elizabeth Umbanhowar, Justin Martin, "White Center Heights Park" 475 LARC design/build studio, Washington Chapter of the American Society of Landscape Architects

- 2007 Honor award in Community Service, "Safe Passage Children's Garden" Guatemala Study abroad design/build studio, American Society of Landscape Architects
- 2006 Merit award - Nathan Brightbill – "Roundwood Deck", 322 LARC materials course, Washington Chapter of the American Society of Landscape Architects

Honor award - Makie Suzuki – "Transformation of Red Square", 507 LARC studio, Washington Chapter of the American Society of Landscape Architects

Merit award – Allison Scheetz – "Interaction – Red Square", 507 LARC studio, Washington Chapter of the American Society of Landscape Architects

- 2005 Honor award - Jacob Millard – "Ross Woods – A Park for the Ross Bridge Community", 507 LARC studio, Washington Chapter of the American Society of Landscape Architects

Merit award - Shoji Kaneko, Charlie Page and Chris Saleeba, "Ross Woods – A Park for the Ross Bridge Community", 507 LARC studio, Washington Chapter of the American Society of Landscape Architects

Honor award - Sandra Buitron-Delgado, Allisa Carlson, Sarah Durkee, Devin Golob, Erin Jacobs, Grace Li, Jennifer Low, Krystal Lowber, Erika Matthias, Viet (Vince) Nguyen, Darby Ringer, Travis Scrivner, Brenda Snyder, Ryan Storkman, Tera Tabet, and Kara Weaver – "Pete Gross House Rooftop Healing Garden" LARC 475 design/build studio Washington Chapter of the American Society of Landscape Architects

- 2004 Award of Excellence In Landscape Design Competition, Ross Bridge Greenspace Master Plan, *faculty Advisor* Regional Planning Commission of Greater Birmingham

- 2002 Honor award - Samson Ferreira, Mam Suteethorn, Jade Takashima, "Mounds of Vision", 507 LARC studio, Washington Chapter of the American Society of Landscape Architects

Merit award - Jennifer Hefferan & Clara Pang – "Enlightenment", 507 LARC studio, Washington Chapter of the American Society of Landscape Architects

Merit award - Ruth Bateman – "Cortez Community Association Courtyard Design", 332 Materials course, Washington Chapter of the American Society of Landscape Architects

University Heights Community Gardens and Park, *student award* American Society of Landscape Architects

- 2001 Honor award - Jennifer Feaster, Ivana Begley, David Chao, Mary Beth Doehr, Julie Galbraith, Noriu Sheppard, Malcolm Dole, Christa Thomas, Annie Habedank, Shi Park, Jan Kunasangeamporn, Incarnation Children's Center, Healing Garden, 498/598 Study Abroad LARC studio, Washington Chapter of the American Society of Landscape Architects

Honor award - LARC 475 "The Garden: Environment of Healing" Seattle Flower Show, Independent Study Gregory Butler, Jennifer Carlson, Virginia Cromwell, Martin Frederickson,

Michael Lentz, Anita Madtes, Ty Snethen and Heidi Rose Watters, LARC 475 design/build studio  
Washington Chapter of the American Society of Landscape Architects

Merit award - Nikki Fields, Carolyn Alcorn, Debbie Caton, Melissa Wheeler, Zheng Yin, Martin  
Frederickson, Jinx Cromwell, Shane Seidel, Heidi Watters, Jennevieve Schlemmer, Krissy  
Biernacki, Greg Butler, Michael Lentz, and David Parchane– “Wing Garden” University of  
Washington medical Center, 475 Design/Build LARC studio, Washington Chapter of the American  
Society of Landscape Architects

1999 Washington Chapter ASLA *Merit Award*: “Garden of Eatin’ ” with U of WA. Department of  
Landscape Architecture

### **Visiting Faculty:**

1997 Cuernavaca, Mexico: Visiting faculty with University of Washington Department of Architecture,  
Mexico Design/Build Program

### **Tenure Reviewer:**

2011 Wolfram Hoefler, Rutgers the State University of New Jersey  
2010 Wes Michaels, Louisiana State University  
2009 Michael Rios, University of California, Davis  
2009 Stanton Jones, University of Michigan  
2008 Anne Spafford, North Carolina State University  
2007 Laura Lawson, University of Illinois at Urbana-Champaign  
2006 Rebecca Kinkle, University of Minnesota  
2002 Stanton Jones, University of Oregon

- 2009 “Subjectivation, Historicity, and Liminal Spaces: Korean American Immigrants and their Discourses of Positonalities”, Hyun-Jun Kim, School of Social Work

### **Competitions, Exhibitions and Collaborations:**

- 2009 “Green Community”, Guatemala was a featured project in this exhibition, National Building Museum, Washington D.C,
- 2005 “Casitas: Transformation in the Barrio” Ramapo College, Ramapo, NJ.
- 1999 “Casitas: Transformation in the Barrio” Ramapo College, Ramapo, NJ.
- 1998 “Casitas: Transformation in the Barrio” Museo Del Barrio, New York City, N.Y.
- 1998 “One Hundred Years of Puerto Rican History and Culture” Newark Public Library, Newark, New Jersey
- 1998 “Wild Gardens at Paerdegat” with Lorna Jordan, “Water, Artists Interpretations of Water”, Seafirst Gallery, Seattle WA.
- 1995 Park and Ride Improvements, % for the Arts, Metro, Awarded
- 1995 Haller Lake, 1% for the Arts, Seattle Art Commission, Awarded
- 1994 “Wild Gardens at Paerdegat” with Lorna Jordan, The Public Art Fund, N.Y. N.Y. Public Works Building, Finalist
- 1993 Public Works Building, 1% for the Arts City of Edmonds, Finalist
- 1992 Alhadeff Residence with Nancy Hammer, Seattle WA.,
- 1992 City of Lynnwood, Public Bench Competitions, Lynnwood WA., Finalist
- 1992 John Marshall School, Metro, Seattle WA., Finalist
- 1989 City of Denver, 1% for the Arts Public Works Projects, Denver Co., Finalist
- 1987 Gazebo Competition, Vermont Slate Company N.Y. N.Y., Winner
- 1987 Lynn Railway Station Competition, Cambridge Arts Council, Cambridge Ma., Finalist
- 1987 Westland Avenue. Competition, Boston/Fenway Program, Boston Ma., Winner

### **Recent University Committee Participation:**

- 2012 LA Dept. Masters selection committee
- 2007-Present LA Dept. Curriculum Committee
- 2009 Graduate School Representative
- 2007 Faculty Search, Chair
- 2006 Faculty Search, Chair
- 2007-Present University Landscape Advisory Committee
- 2006-2008 CAUP Shop Committee
- 2006 PHD Committee Graduate School Representative
- 2006- Present Therapeutic Garden Design Certificate Program Advisory Board
- 2001-2003 College Council, chair 2003

### **Other University Service:**

- 2010 Fulbright campus reviewer
- 2009 Advisor to the Rebecca Greigo Memorial
- 2008 Nominated Claire Cooper Marcus as the Walker Ames and the Jessie and John Danz lecturer
- 2007-9 Graduate School Representative

2006 Lunch time discuss w/President Mark Emmert and provost Phyllis Wise, “Issues and opportunities facing the UW

### **Selected Community Service:**

2011 Led design/build efforts for the Monica’s Spirit Village Healing Garden  
2010 Led design/build efforts for the Ucenicki Dom Dormitory Healing Garden  
2010 Led design/build efforts for the Fisher House Healing Garden  
2009 Led design/build efforts for the Skyway Park Community shelter project  
2009 Led design/visioning efforts for the Post Katrina/New Jefferson project, Jefferson parish, LA  
2009 Led design/build efforts for the Bosnia Healing Gardens project  
2009 Led design/build efforts for the Guatemala Learning Garden project  
2008 Advisor to the University Heights Center for building acquisition  
2008 Led design/build efforts for the Fircrest Healing garden project  
2007 Led design/visioning efforts for the Post Katrina/Old Jefferson project, Jefferson parish, LA  
2007 Led design/build efforts for the Guatemala Playgarden project  
2007 Led design/build efforts for the White Center Heights Park project  
2006 Led design/visioning efforts for the Post Katrina/Terrytown project, Jefferson parish, LA  
2006 Led design/build efforts for the Guatemala Garden of Hope project  
2006 Led design/build efforts for the Renovation of the Gordon Varey Memorial Garden project  
2005 Led design/build efforts for the Pete Gross Healing garden project  
2005 Led design efforts for the community of Ross Bridge, in partnership with the Center for Regional Planning and Design, Birmingham Alabama  
2004 Led design/vision efforts for the South Park Community  
2004 Led design/build efforts for the Pacifica Flora Student Competition project, Japan  
2004 Led design/build efforts for the Evergreen School Learning garden project  
2003 Led design/build efforts for the University of Washington Medical Center Healing garden project  
2003 Led design/build efforts for the Bedford Hills Correctional Facility Mother/Child garden project  
2003 Led design/build efforts for the Bedford Hills Correctional Facility Mother/Child garden project  
2002 Led design/build efforts for the University Heights entry and Community Garden Project  
2000 Led design/build efforts for the Incarnation Children’s Center Restorative garden project  
2000 Led design/build efforts for the Incarnation Children’s Center Restorative garden project  
2000 Led design/build efforts for the Cancer Lifeline Healing garden project  
2000 Led design/visioning efforts for the Campus/Community Partnerships project  
1998 Led design/build efforts for the Garden of Eatin’ garden project  
1997 Led design efforts for the Eastlake Pocket Park project  
1996 Led design/build efforts for the Gordon Varey Memorial Garden project  
1996 Led design/visioning efforts for the Cascade Neighborhood Sustainable Growth project  
1995 Led design/visioning efforts for the Georgetown, Vision for the Future project

### **Teaching Employment:**

#### **University of Washington**

2009 – 2010 **LARC 332, Landscape Construction (Materials and Methods),**

#### **Teaching Responsibilities:**

2009 – 2010 **LARC 332, Landscape Construction (Materials and Methods),**

Undergraduate/Graduate, 32 students, co –taught w/Ben Spencer

Student Evaluation: 2.3

**LARC 503, Community Design Studio, New Jefferson, Graduate, 26 students, co –  
taught w/Fritz Wagner (Planning) and Sharon Sutton (Architecture)**

Student Evaluation: 2.6

**LARC 475, Advanced Project Design (Design/build studio), Veterans Healing  
Garden at the Fisher House, Undergraduate, 16 students**

- LARC 498/598, Study Abroad Design/Build Bosnia**, Undergraduate/Graduate, 18 students

**Practice Experience:**

1995-present	<i>Independent Consultant</i>	Winterbottom Design, Seattle WA.
1992-1995	<i>Associate</i>	The Portico Group, Seattle WA.
1991	<i>Associate</i>	SvR Design Company, Seattle WA.
1989-1990	<i>Associate</i>	The Portico Group Seattle, WA.
1988	<i>Project Designer</i>	Mary Smith Associates Quincy, Ma.
1986	<i>Junior Landscape Architect</i>	City of Boston, Dept. of Public Facilities

## **Selected Professional Relevant Project Experience:**

### **Seattle Play garden**

#### **Seattle, WA.**

As the design landscape architects, Winterbottom Design Inc. has completed a master plan for the site that includes a ADA circulation system, rehabilitation elements, play features and a variety of sensory, learning and agricultural gardens. Its two phases completed 2010.

### **Seattle Community Church**

#### **Seattle, WA.**

As the design landscape architects, Winterbottom Design Inc. has completed a master plan for the site that includes a reconfigured entry, creation of refuge gardens, social areas, reconfiguration of parking, children's play areas and locations of storage facilities. The project is scheduled for construction in Winter 2004.

### **Dragonfly Garden, Longfellow Creek Habitat Improvement Project,**

#### **Seattle, WA.**

As the design landscape architects, Winterbottom Design Inc. worked with the design team including artists, architects and horticulturalists to create a gateway into this restores urban ravine. The project included a pavilion, demonstration gardens, a water feature, pathways and retaining walls. The project is currently under construction.

### **University Play Field landmark Fence and Site Renovation Project**

#### **Seattle,**

*Project Landscape Architect/Designer* for design of a landmark fence that will portray the uniqueness of this urban neighborhood. The fence and site design is intended to be used for school groups as an out door learning environment butterfly gardens and passive areas were designed to serve the older residents and a water play feature to serve the children of the community. Completed 2004. Construction Budget: \$200,000

### **Alternative School #1,**

#### **Seattle Wa.**

As landscape architects, Winterbottom Design worked with the community to develop a "gray to green" project that includes a running track, play field, play areas, seating and plantings. Completed 1998

### **Green Lake Elementary School Entry Renovations**

#### **Seattle, WA**

*Project Manager/Project Landscape Architect* for redesign of the entry to provide gathering spaces, seating, native landscaping and art works to celebrate the vibrancy and diversity of the school community. A special sensory garden was designed for the large population of disabled students. Completed 2002 Budget: \$200,000.

### **Phinney Neighborhood Center,**

#### **Seattle WA**

As landscape architects, Winterbottom Design Inc. developed a participatory process including a design charrett, several community design reviews and public presentations to develop a "vision" plan for the very steep site. A cost estimate and phasing plan was completed and the first phase was implemented summer 2000. Winterbottom Design Inc. was also the lead in coordination between city agencies, school department and the community.

**Cougar Mountain Regional Wildland Park Master Plan  
King County, Washington**

*Project Landscape Architect* for the master development plan for the 2,800 acre "wildlands" park. The scope of the project involves creating a long term vision for conserving and utilizing the park's cultural and natural resources; and creating a public process for developing a unified direction.

**Heritage Park, Washington State Capitol Campus Expansion Pre-Design Study  
Olympia, Washington**

*Project Landscape Architect* for site analysis, programming and master planning for the development of the 27 acre park situated within the State Capitol Campus on the shores of Capitol Lake. The park will be a natural extension of the original campus and will, by design, express the state's cultural history while providing accessible recreational opportunities and water oriented activities for Washingtonians. Project Cost \$15 million.

**Bremerton Over-Water Park  
Bremerton, Washington**

*Project Landscape Architect* for construction administration for Bremerton's downtown waterfront revitalization. Major features of this effort will be the design and construction of a waterfront park, marina and historic ship connections that will provide the focus for community celebrations and cross-Sound commuter circulation, while acting as the first step in Bremerton's revitalization of its urban core. Construction Budget: \$2.2 million.

**Lewis & Clark National Historic Trail Interpretive Center  
Great Falls, Montana**

*Project Landscape Architect* for the development of the 20,000 SF center for the United States Forest Service, Region 1. Exhibits relating to the history of the Lewis and Clark Expedition, with special emphasis on the Great Falls Portage, the Native American populations encountered along their route, and natural history of the region make this facility relevant to regional residents and visitors alike. 1990 Construction Budget: \$7 million.

**Seattle Public School Renovation Project  
Seattle, Washington**

*Project Manager/Project Landscape Architect* for assessment and evaluation of existing playgrounds, circulation systems, and ADA compliance. The program includes construction documents for eleven schools through out the City, with scope of work ranging from complete renovation to expansion of existing facilities. Budget: \$500,000. With SvR Design Company.

**Hernandez Playground  
Boston, Massachusetts**

*Project Landscape Architect/Designer* for renovation and construction of a public school playground. The project involved programming of active and passive recreation, planting design, demonstration garden and pedestrian pathways. 1988 Construction Budget: \$500,000. With City of Boston.

**Camano Avenue  
Langely, Washington**

*Construction Manager/ Project Landscape Architect* for demolition and reconstruction of 3/4 mile road. The project includes utilities, grading, paving, pedestrian circulation, and landscaping. The road serves as the entry to the town of Langely, WA. gentle curves, allees of cherry trees, and

native re vegetation preserve the rural character of the town. Budget: \$450,000. With SvR Design Company.

**King County, Washington and Multnomah County, Oregon**

*Project Landscape Architect* for design development and construction documents for Hydro West's Black, Stone Creek and Youngs Creek powerhouses. Site design was planned to cause least impact to existing wildlife habitat in these remote sites. 1992 Construction Budgets: \$322,500, \$788,000 and \$657,000 respectively.

**Woodland Park Zoo**

**Tropical Rainforest-Phase II**

**Seattle, Washington**

*Project Landscape Architect* for design and construction documents for animal exhibits, pathways, viewing spaces and service areas. Exhibits recreate native habitats for specific species. 1991 Construction Budget: \$1.25 million.

**Corkscrew Swamp Sanctuary**

**Audubon Society Master Plan**

**Southwest Florida**

*Project Landscape Architect* for the development of an existing 11,000 acre wildlife sanctuary into a well-managed, full-service educational resource which interprets the ecological and aesthetic values within this rapidly developing southwest Florida environment. With Rhodes/Dahl.
